

Setting up your profile

Taking a few minutes to update your profile will help you to get the most out of the event. A complete profile ensures that you're getting the most relevant search results

You can access 'Edit Profile' by clicking on the profile picture in the upper right and then selecting Edit Profile

Within your profile you can:

- Update your profile information & contact details
- Give more information about what you are looking for by answering the additional questions
- Add a photo to be easily recognised
- Choose your notification settings
- Find your badge
